ST JOHN OF GOD
Health Care

ST JOHN OF GOD Health Care

The St John of God Health Care symbol represents both our heritage and our vision for the future.

The cross is the symbol of Christianity, reminding us of the suffering of Jesus and our call to follow in His footsteps in our daily lives.

The Pomegranate is the original symbol of the Sisters of St John of God, our founding Congregation. The five seeds in the fruit represent our Values – Hospitality, Compassion, Respect, Justice and Excellence.

The Pomegranate is open to allow the seeds to scatter, providing new life, which is dependent upon the generosity of all of us sharing our gifts, talents and expertise in the spirit of St John of God.

Our Mission
