South West General Practitioners are invited to an endocrinology education session presented by Dr Fong James Wong. Dr Wong completed a fellowship in Diabetes and Endocrinology at George Washington University Medical Center and was mentored by Professor Robert Ratner (currently the president of the American Diabetes Association). Dr Wong went into private practice for 20 years in Florida, USA and now calls Australia home.

For more information, please contact SWHPN program officer Sally Beer at [contact@swhpn.com.au](mailto:contact@swhpn.com.au)

The South West Health Professionals Network provides a central hub offering support and opportunities to network, upskill, share information and collaborate in a local, supportive community environment.
