¹GP Urgent Care Clinics can be open additional hours to treat patients with urgent, but non-life threatening injury or illness that is typically treated within the usual scope of general practice.
 To book a GP Urgent Care clinic appointment visit: gpurgentcare.com.au

²Note: this list does not include the days and times practices operate during normal business hours on weekdays. It only includes GP practices in the catchment area that are open after hours and is not a complete list. Times and days are subject to change and public holidays may effect opening hours included in this list. Please contact practices directly to confirm their opening hours and availability.

This list is not an endorsement or recommendation of the listed practices and services, but is simply a guide for people seeking contact details on after hours clinics.
