

Acute General Surgical Service

We are pleased to offer an acute general surgical service as an alternative to Emergency Department presentation for privately insured patients presenting with symptoms that require an urgent general surgical review.

GPs will have access to a roster of specialist surgeons 24/7, commencing Monday 13 April 2020.

There will be no inpatient surgeon or anaesthetist gap for eligible health fund members.

Surgeons available

A team of specialist surgeons will be rostered and available 24 hours a day, seven days per week.

To access this service

1

GPs call our After Hours
Duty Manager on
0437 539 284.

2

Duty Manager will take the
referral including a COVID-19
risk assessment and private
health insurance details.

3

The on-call surgeon will then
contact the GP to discuss
the patient's condition and if
required, the patient will be
directed to present to either
our hospital or the surgeon's
rooms for full assessment.
