Volunteers

Do you love helping people? Want to be part of a warm and welcoming volunteer team?

Volunteering can be highly rewarding and satisfying. It is an opportunity to give back to your local community and make a difference in the lives of other people.

Our volunteer program includes a broad range of volunteer services including opportunities for meaningful learning and development. Our network represents a diverse mix of ages, skills and personal attributes.

Our Volunteer Program operates during business hours between Monday to Saturday.

Join our south east Melbourne volunteer program and choose to assist at:

- St John of God Berwick Hospital
- St John of God Frankston Rehabilitation Hospital
- St John of God Langmore Centre

Our meaningful non-clinical volunteer roles include:

- meet & greet
- general support in our wards
- art therapy
- community wig service
- gardening
- day oncology
- palliative care
- and more!

What skills and qualities do volunteers possess?

We are a values driven organisation where hospitality, compassion, respect, justice and excellence of care underpins our service ethos. We look for individuals whose own personal values compliment those of the hospital.

If you are caring, friendly, sensitive to the needs of others, reliable and motivated, then you may wish to join our volunteer program.

What kind of commitment is required?

To provide a high quality and sustainable volunteer service, we ask that volunteers:

- Are aged 18 and over
- Can provide a 12 month commitment comprising of a weekly or fortnightly shift (averaging two to four hours per shift).
- Please consider if this is a good time in your life to make such a commitment.

Given the sensitivities of volunteering in a hospital environment, some roles require that volunteers have not experienced bereavement of a loved one in the previous 12 months.

If you would like to volunteer please visit our website and complete the application process:
