Procedures

Births

SERVICES

- › Successfully underwent Organisation-Wide Survey with the Australian Council on Healthcare Standards, achieving no recommendations.
- › Commenced dog therapy program in our inpatient hospice service with “Mischa” the Labrador.
- › Installed K2 monitoring system in the obstetric unit to improve patient outcomes and obstetrician satisfaction.

PEOPLE

- › Employed the first Aboriginal Liaison Officer in collaboration with WA Country Health Service.

COMMUNITY

- › Employed inaugural Ku'arlu Aboriginal Scholarship winner as a patient care assistant to support her in her nursing studies.

YEAR AHEAD

- › Continuing collaboration with WA Country Health Service on the joint planning and provision of health services to the Mid-West region.
