

Referral template guide for Zedmed

Guide to the St John of God (SJG) community mental health services template

To help you use the templates in ReferralNet we have outlined some basic instructions below on how to add SJG community mental health services to your contacts and how to import a template.

Adding SJG community mental health services to Contacts

- First open up 'Address Book'

- Click 'Add New'

- Fill in the recipient's contact information

Importing a template

- Go to 'Tools', select 'Clinical WP Setup' and click on 'WP Templates'

- Then go to 'File' and select Import template

- Browse to where the template is located

- Enter a name for the template and click 'OK'

- The template is now ready for use

About St John of God Health Care

St John of God Health Care is a leading Catholic not-for-profit health care group, serving communities with hospitals, home nursing and social outreach services throughout Australia, New Zealand, and the wider Asia-Pacific region.

We strive to serve the common good by providing holistic, ethical and person-centred care and support. We aim to go beyond quality care to provide an experience for people that honours their dignity, is compassionate and affirming, and leaves them with a reason to hope.

About St John of God Community Mental Health Services

Left unchecked, emotional distress can affect relationships and disrupt or even derail lives. Things can easily spiral out of control, with new challenges compounding a bad situation or state of mind. Our community mental health teams help prevent this from happening.

Currently available in Ballarat, Warrnambool and Fremantle, our low-cost mental health support and interventions help people who might otherwise struggle to access mental health services in the community.
