8. RELATIONSHIP TO THE NATIONAL EMPLOYMENT STANDARDS

Entitlements in accordance with the NES are provided for under the Fair Work Act 2009. Where this Agreement also has provisions regarding matters dealt with under the NES and the provisions

in the NES set out in the Act are more favourable to a Caregiver in a particular respect than those provisions, then the NES will prevail in that respect and the provisions dealing with that matter in this Agreement will have no effect in respect of that Caregiver. The provisions in this Agreement otherwise apply.

9. COMPREHENSIVE AGREEMENT

It is the intention of the parties that this Agreement be a comprehensive document applying to Caregivers covered by this Agreement to the exclusion of all applicable awards and industrial agreements. It is further intended that each provision of this Agreement is to be interpreted as not containing unlawful content and that each provision only operates in a manner that would not constitute unlawful content.

10. CONSULTATION REGARDING CHANGE

9.1 Major Change

- (a) This term applies if the Employer has made a definite decision to introduce a major change to production, program, organisation, structure, or technology in relation to its enterprise; and the change is likely to have a significant effect on Caregivers of the Employer.
- (b) The Employer must notify the relevant Caregivers of the decision to introduce the major change. The relevant Caregivers may appoint a representative, which may be a representative from the HSU, for the purposes of the procedures in this term. If a relevant Caregiver appoints, or relevant Caregivers appoint, a representative for the purposes of consultation; and the Caregiver or Caregivers advise the Employer of the identity of the representative; the Employer must recognise the representative.
- (c) As soon as practicable after making its decision, the Employer must discuss with the relevant Caregivers:
 - (i) the introduction of the change; and
 - (ii) the effect the change is likely to have on the Caregivers; and
 - (iii) measures the Employer is taking to avert or mitigate the adverse effect of the change on the Caregivers; and
- (d) For the purposes of the discussion — provide, in writing, to the relevant Caregivers all relevant information about the change including the nature of the change proposed; and information about the expected effects of the change on the Caregivers; and any other matters likely to affect the Caregivers.

- (f) The Employer must give prompt and genuine consideration to matters raised about the major change by the relevant Caregivers.
- (g) If a term in the Agreement provides for a major change to production, program, organisation, structure or technology in relation to the enterprise of the Employer, the requirements set out in subclauses (ii) and (iii) are taken not to apply.

- (h) In this term, a major change is likely to have a significant effect on Caregivers if it results in the termination of the employment of Caregivers; or major change to the composition, operation or size of the Employer's workforce or to the skills required of Caregivers; or the elimination or diminution of job opportunities (including opportunities for promotion or tenure); or the alteration of hours of work; or the need to retrain Caregivers; or the need to relocate Caregivers to another workplace; or the restructuring of jobs.

 - (ii) invite the Caregiver or Caregivers affected and their representatives, if any, to give their views about the impact of the proposed change, including any impact in relation to their family or caring responsibilities; and

- (e) At any stage during this process a Caregiver may appoint a representative of their choice in writing. The Employer's obligation to consult or provide information to the representative only occurs after written notice is provided to the Employer.

11. DISPUTE RESOLUTION PROCEDURE

- (a) In the event of a dispute in relation to a matter arising under this Agreement or the National Employment Standards ("NES"), in the first instance the parties will attempt to resolve the matter at the workplace by discussions between the Caregiver or Caregivers concerned and the relevant supervisor and, if such discussions do not resolve the dispute, by discussions between the Caregiver or Caregivers concerned and more senior levels of management as appropriate.
- (b) A party to the dispute may appoint another person, organisation or association, which may be a union representative including HSU, to accompany or represent them in relation to the dispute.
- (c) If a dispute in relation to a matter arising under the Agreement or the NES is unable to be resolved at the workplace, and all agreed steps for resolving it have been taken, the dispute may be referred to the Fair Work Commission for resolution by conciliation and, where the matter in dispute remains unresolved, arbitration.

- (a) The parties to this agreement acknowledge that Caregivers and management have a responsibility to maintain a balanced workload and recognise the adverse affects that excessive workloads may have on Caregiver/s and the quality of resident/client care.
- (b) To ensure that Caregiver concerns involving excessive workloads are effectively dealt with by Management the following procedures should be applied:
 - (i) In the first instance, Caregiver/s should discuss the issue with their immediate supervisor and, where appropriate, explore solutions.
 - (ii) If a solution still cannot be identified and implemented, the matter should be referred to the Facility Manager for further discussion. The facility manager will respond within 48 hours.
 - (iii) If a solution cannot be identified and implemented, the matter should be referred to an appropriate senior manager for further discussion. The senior manager will respond within a further 48 hours.
 - (iv) The outcome of the discussions at each level and any proposed solutions should be recorded in writing and fed back to the effected Caregivers.
- (c) Workload management will be an agenda item at staff meetings on at least a quarterly basis. Items in relation to workloads will be recorded in the minutes of the staff meeting, as well as actions to be taken to resolve the workloads issue/s. Resolution of workload issues should be based on the following criteria including but not limited to:

16. ROSTER OF HOURS

- (a) The ordinary hours of work for each Caregiver shall be displayed on a roster in a place conveniently accessible to Caregivers, including via electronic method. Where reasonably

practicable, the roster shall be displayed at least two weeks in advance, but in any case at least one week prior to the commencing date of the first working period in the roster.

- (b) Provided that this provision shall not make it obligatory for the Employer to display any roster or ordinary hours of work of casual Caregiver.
- (c) Seven days' notice will be given of a change in a roster. Provided further that a roster may be altered at any time to enable the service of the private hospital to be carried on where another Caregiver is absent from duty on account of illness or in emergency, but where such alteration involves a Caregiver working on a day which would have been his or her day off, such Caregiver may elect to be paid at overtime rates or have a day off in lieu thereof, which shall be as mutually arranged.
- (d) The Employer may change the Caregiver's roster at short notice for any reasonable grounds including unexpected emergent situations and unforeseen fluctuations in patient dependency.

17. OVERTIME

- (a) Caregivers shall work reasonable overtime when required by the Employer.
- (b)
 - (i) Subject to paragraph (ii) hereof all time worked by permanent full time Caregivers in excess of the rostered daily ordinary hours of work shall be overtime and shall be paid for at the rate of time and one half for the first two hours and double time thereafter in respect of each overtime shift worked or in respect of overtime worked prior to or at the conclusion of a normal shift. Provided that overtime worked on Sundays shall be paid for at the rate of double time and on public holidays at the rate of double time and one half.
 - (ii) All time worked by permanent part time Caregivers, in excess of the rostered daily ordinary hours of work prescribed for the majority of full-time Caregivers employed on that shift in the ward or section concerned shall be paid for at the rate of time and one half for the first two hours and double time thereafter except that on Sundays such overtime shall be paid for at the rate of double time and on public holidays at the rate of double time and one half.

Time worked up to the rostered daily ordinary hours of work prescribed for a majority of the full-time Caregivers employed on that shift in the ward or section concerned shall not be regarded as overtime but an extension of the contract hours for that day and shall be paid at the ordinary rate of pay.
 - (iii) All authorised time worked by casual Caregivers, in excess of 10 ordinary hours of work per day or 38 hours per week, shall be paid at overtime rates and these shall be time and a half for the first two hours and double time thereafter. Provided that overtime worked on Sundays shall be paid for at the rate of double time and on public holidays at the rate of double time and one half. For clarity, such overtime penalty rates are to be applied on the casual hourly rate (being the base rate of pay for the applicable classification plus 25%).
- (c) A Caregiver recalled to work overtime after leaving the Employer's premises shall be paid for a minimum of four hours work at the appropriate rate for each time so recalled. If the work required is completed in less than four hours, the Caregiver shall be released from duty.

- (d) A Caregiver required to work overtime following on the completion of their normal shift for more than two hours shall be allowed twenty minutes for the partaking of a meal and a further twenty minutes after each subsequent four hours of overtime. All such time shall be counted as time worked; provided that benefits of this subclause shall not apply to permanent part time Caregivers, until the expiration of the normal shift for a majority of the full-time Caregivers employed on that shift in the ward or section concerned.
- (e) A Caregiver recalled to work overtime after leaving the Employer's premises and who is required to work for more than four hours shall be allowed twenty minutes for the partaking of a meal and a further twenty minutes after each subsequent four hour's overtime; all such time shall be counted as time worked.
- (f) The meals referred to in subclauses (d) and (e) of this clause shall be allowed to the Caregiver free of charge. Where the hospital is unable to provide such meals, an allowance per meal of the sum set out in Item 2 of Table 7 - Other Rates and Allowances, of Schedule 2, shall be paid to the Caregiver concerned.
- (g) Where a Caregiver is required to work an overtime shift on his or her rostered day off, the appropriate meal breaks for that shift, as prescribed by Clause 14 - Hours, shall apply.
- (h) In the case where a Caregiver, after consultation with their manager, is not able to take a meal break, then the time should be treated as time worked.
- (i) A Caregiver, excluding a casual, who works so much overtime:
 - (i) between the termination of their ordinary work on any day or shift and the commencement of their ordinary work on the next day or shift that they have not had at least eight consecutive hours off duty between these times; or
 - (ii) on a Saturday, a Sunday and a holiday, not being ordinary working days, or on a rostered day off without having had eight consecutive hours off duty in the twenty-four hours preceding their next day or shift; shall subject to this subclause, be released after completion of such overtime until they have had eight consecutive hours off duty without loss of pay for ordinary working time occurring during such absence. If on the instruction of the Employer such a Caregiver resumes or continues to work without having such eight consecutive hours off duty they shall be paid at double time of the appropriate rate applicable on such day until they are released from duty for such period and they then shall be entitled to be absent until they have had eight consecutive hours off duty without loss of pay for ordinary working time occurring during such absence.
- (j) Reasonable additional hours
 - (i) Subject to paragraph (ii) an Employer may require a Caregiver to work reasonable overtime at overtime rates unless or as otherwise provided for under the Agreement.
 - (ii) A Caregiver may refuse to work overtime in circumstances where the working of such overtime would result in the Caregiver working hours which are unreasonable.
 - (iii) For the purposes of paragraph (ii) what is unreasonable or otherwise will be determined having regard to:
 - (iv) any risk to Caregiver health and safety.

- (v) The Caregiver's personal circumstances including any family and carer responsibilities.
- (vi) The needs of the workplace or enterprise.
- (vii) The notice (if any) given by the Employer of the overtime and by the Caregiver of his or her intention to refuse it; and
- (viii) Any other relevant matter.

Time off in Lieu (TOIL)

- (k) In lieu of receiving payment for overtime in accordance with this clause, Caregivers (excluding casuals) may be compensated by way of time off in lieu of overtime on the following basis:
 - (i) Such time will accrue based on the overtime equivalent – meaning that if one hour of overtime work on a Sunday is accrued as TOIL, it will translate to 2 hours of time off (as Sunday overtime is double time).
 - (ii) Time off in lieu of overtime must be taken within four months of it being accrued at ordinary rates.
 - (iii) Where it is not possible for a Caregiver to take the time off in lieu of overtime within the four month period, it is to be paid out at the appropriate overtime rate based on the rates of pay applying at the time payment is made. Further, if, on the termination of the employee's employment, accrued time off for overtime has not been taken, the Employer will pay the employee for the overtime at the overtime rate applicable to the overtime when worked.
 - (iv) Caregivers cannot be compelled to take time off in lieu of overtime.
 - (v) Records of all time off in lieu of overtime owing to Caregivers and taken by Caregivers must be maintained by the Employer.

18. MEALS

- (a) Thirty (30) minutes shall be allowed for each meal, provided that, where a Caregiver is called upon to work for any portion of his/her meal break, such time shall count as ordinary working time, otherwise such period shall be unpaid.
- (b) A Caregiver shall not be required to work more than six hours without a meal break. Such meal break shall be of 30 minutes duration, and shall not count as time worked.
- (c) Notwithstanding the provisions of subclause (a) of this clause, a Caregiver required to work in excess of ten ordinary hours, shall be entitled to a 30-minute unpaid meal break.
- (d) A Caregiver who is required to work overtime for more than two hours and such overtime goes beyond 7:00 a.m., 1:00 p.m. and 6:00 p.m. shall, at the option of the Employer, be supplied with an adequate meal or shall be paid the amounts set out in Item 2 of Table 7 - Other Rates and Allowances of Schedule 2.

19. PART TIME WORK

- (a) A permanent part-time Caregiver is one who is permanently appointed by the hospital to work a specified number of hours which are less than those prescribed for a full-time Caregiver. By

agreement between Employer and Caregiver, the specified number of hours may be balanced over a week and/ or a fortnightly period, provided that the average weekly hours shall be deemed to be the specified number of hours for the purposes of accrual of annual leave.

- (b) Permanent part-time Caregivers shall be paid an hourly rate calculated on the basis of one thirty-eighth of the appropriate weekly rate prescribed by Rates of Pay, of Schedule 2, unless hourly rates are specified for the respective classification.
- (c) Permanent part-time Caregivers shall be entitled to all other benefits of this Agreement not otherwise expressly provided for herein in the same proportion as their ordinary hours of work are to full-time hours.
- (d) Before commencing employment, the Employer and Caregiver will agree in writing on:
 - (i) the span of hours that the Caregiver may be rostered within a fortnight. This span of hours shall include which shifts the Caregiver may be rostered to work; and
 - (ii) the days of the week the Caregiver may be rostered to work within a fortnight; and
 - (iii) the agreed minimum number of contracted hours to be worked per fortnight.
 - (iv) Notwithstanding the overtime provisions prescribed in this Agreement, a part time Caregiver may agree to work in excess of their rostered ordinary hours at the ordinary time rate of pay, provided that all time worked by a part-time Caregiver in excess of the rostered daily ordinary hours of work prescribed for the majority of full-time Caregivers employed on that shift in the ward or section concerned or 76 hours in a fortnight, will be paid at the rate of time and a half for the first two hours and double time thereafter, except on Sundays when overtime will be paid for at the rate of double time, and on public holidays at the rate of double time and a half. No part-time Caregiver shall be directed to work in excess of their rostered ordinary hours.
 - (v) Where a part time employee does not agree / is required to work the additional hours, the applicable overtime penalty rates will apply to the additional hours worked.
- (e) Any additional shifts that arise due to the need of the Employer to supplement the workforce and/or respond to fluctuations caused by absence or emergency, shall be offered where ever possible to permanent part-time Caregivers first and prior to the engagement of any casual Caregivers. - (f) A Caregiver who is entitled to a period of compassionate leave is entitled to take the compassionate leave as:

- (i) a single, unbroken period of 2 days; or

 - (iii) any separate periods to which the caregiver and the Employer agree.
- (g) If a Caregiver takes compassionate leave during a period, the compassionate leave shall be paid at the caregiver's ordinary pay immediately before the period begins.

The full rate of pay, for the purposes of this clause, is the caregiver's base rate plus any relevant loadings, monetary allowances, overtime or penalty rates.  - (ii) The Employer will respond to the request in writing within a reasonable timeframe, and where possible no less than one month after receiving the written request, indicating whether the application is approved or denied.

Such time spent in attendance shall not be viewed as overtime for the purposes of this Agreement.

- (h) The parties agree that in the event that the salary packaging ceases to be an advantage to a Caregiver, or a Caregiver decides, for whatever reason, to stop participating in salary packaging, arrangements will be made to reinstate as salary the agreed amount packaged. Any costs associated with the conversion to salary will be borne by the Caregiver and SJGHC will not be liable to make up any benefit lost as a consequence of a Caregiver's decision to convert to salary.
