

ST JOHN OF GOD
Health Care

Strategy

Our Vision

We are recognised for care that provides healing, hope and a greater sense of dignity, especially to those most in need.

Our Mission

To continue the healing mission of Jesus.

Our Values

Hospitality, Compassion, Respect,
Justice, Excellence

Every Moment Matters

Compassionate, committed and connected care

Our Priorities

Sustainability

- Caring for people and the planet
- Smart use of information and technology
- Responsible financial stewardship

Care Journey

- Making health care access easier for patients
- Improving care experiences
- Creating healing spaces

People First

- Creating a great place to work
- Helping leaders succeed and inspire
- Investing in caregiver growth and development

Integrated Care

- Comprehensive cancer care
- High quality, efficient day surgery
- Enhancing mental health support

Community Impact

- Advancing knowledge through research
- Building better relationships
- Planning for a stronger future
